CULTURAL ARTS TOUR TO SEATTLE AND VANCOUVER

Grab your passport and join Solano County Library Foundation's 9th Cultural Arts tour, and the first on the west coast, as we explore Seattle, Washington and Vancouver, British Columbia. Travel dates are September 12 -22, 2015. Deposits are due May 8, 2015 to reserve your place.

In Seattle, explore the new Chihuly Garden of Glass and experience a private tour of Seattle Public Library; take a walking tour based on the best-selling novel *Hotel on the Corner of Bitter and Sweet* and roam subterranean passages in the Seattle Underground Tour.

Our Canadian portion includes a Skyride to Grouse Mountain, horse drawn carriage ride in Stanley Park, the Van Dusen Botanical Garden and a walking tour of Vancouver's Chinatown. There will be harbor cruises, delicious meals, and a free day in each city to find your own adventures. Lodging in both cities will be in boutique hotels.

One of our regular travelers had this to say about our tours: "Traveling with the SCLF Literary and Cultural Tour has been a great way to experience the history and culture of some of our most important and beautiful cities. The expert guides are amazing! The food is incredible! And the great camaraderie among the group of travelers has lead to lasting friendships."
